

Felix Antonio Santos

General Santos City, South Cotabato • felix.santos.carpenter@gmail.com • 0927-012-3456

Skilled Carpenter with 10 years of hands-on experience in furniture making, structural woodwork, and residential construction. Trained in masonry support and basic mechanical maintenance for construction tools.

CORE SKILLS

Carpentry • Masonry • Mechanical Maintenance • Construction Safety • Quality Control • Workplace Safety

WORK EXPERIENCE

Lead Carpenter | Sarangani Construction and Development Corp. | Jan 2018 – Present

- Led a team of 4 carpenters in constructing formworks, roof trusses, interior partitions, and cabinetry for housing projects.
- Read and interpreted architectural plans and sketches to guide daily carpentry works on site.
- Assisted masonry crew in block laying, tile setting, and concrete finishing for floor and wall works.
- Performed preventive maintenance on circular saws, routers, and pneumatic nail guns to minimize downtime.

Carpenter / Construction Worker | DOLE – Emergency Employment Program – GenSan | Jun 2014 – Dec 2017

- Constructed and repaired community facilities including barangay halls, daycare centers, and covered courts.
- Performed rough carpentry works for roof installations and wooden floor systems in resettlement housing.
- Followed strict daily safety briefings and wore required PPE at all construction worksites.
