Results-oriented Warehouse Operations Supervisor with 9 years of experience in inventory management, warehouse operations, and quality inspection in FMCG and electronics manufacturing environments.

CORE SKILLS

Inventory Management • Warehouse Operations • Quality Inspection • Delivery Coordination • Workplace Safety • Production Monitoring

WORK EXPERIENCE

Warehouse Supervisor | Nestlé Philippines – Laguna Distribution Center | Jul 2017 – Present

- Managed daily receiving, putaway, picking, and dispatch operations for a 10,000 sqm distribution center serving 150 accounts.
- Maintained inventory accuracy of 99.5% through weekly cycle counts and monthly physical inventory reconciliations.
- Led quality inspection of incoming goods, rejecting non-conforming items and coordinating with suppliers for replacements.
- Coordinated with logistics providers to ensure on-time delivery performance rate of 97%.

Warehouse Associate | Samsonic Philippines – Santa Rosa, Laguna | Apr 2014 – Jun 2017

- Operated forklift and pallet jacks to move finished goods and raw materials within the warehouse.
- Maintained stock accuracy by updating inventory records in SAP and conducting spot checks.
- Followed 5S and safety protocols including proper PPE use and fire safety compliance.

EDUCATION

Bachelor of Science in Industrial Engineering — University of the Philippines Los Baños, 2013

CERTIFICATIONS

- Forklift Operator Certification – DOLE Accredited Training Center, 2015
