Dedicated Livestock Farm Worker with 9 years of experience in cattle and swine production, dairy handling, and animal welfare management on commercial farms in Southern Luzon.

CORE SKILLS

Animal Care • Livestock Production • Dairy Production Support • Crop Production • Pest Management
• Waste Management

WORK EXPERIENCE

Livestock Supervisor | Magnolia Poultry and Livestock Farm – Batangas | Aug 2017 – Present

- Supervised daily care of 500-head swine herd including feeding, health monitoring, breeding records, and vaccination schedules.
- Managed dairy cattle milking operations using mechanical milking systems with strict hygiene and quality protocols.
- Maintained production records and reported animal health incidents to the farm veterinarian.
- Implemented waste segregation and biogas digester management to minimize environmental impact of farm operations.

Farm Laborer / Animal Caretaker | Sta. Rita Cattle Farm – Batangas City | Jan 2014 – Jul 2017

- Provided daily feeding, grooming, and health monitoring for 80 head of Brahman cattle.
- Assisted veterinarians during hoof trimming, deworming, and pregnancy examinations.
- Maintained clean animal housing and proper waste disposal following farm biosecurity protocols.
