CORE SKILLS

Security Monitoring • Emergency Response • Risk Reporting • Government Service Support • Leadership Support • Regulatory Compliance

WORK EXPERIENCE

Security Supervisor | PNP-Accredited Security Agency – SM Mall of Asia, Pasay City | Jun 2019 – Present

- Supervised a team of 20 security guards covering perimeter, parking, and interior security of a 400,000 sqm mall.
- Monitored 150+ CCTV cameras, coordinating real-time response to incidents including theft, medical emergencies, and disturbances.
- Prepared daily incident reports, security logbooks, and weekly threat assessment summaries submitted to mall management.
- Conducted emergency response drills for fire, earthquake, and active threat scenarios quarterly.

Security Guard | G4S Philippines – Ayala Malls Alabang | Aug 2014 – May 2019

- Performed post assignment duties including access control, visitor logging, bag inspection, and patrol activities.
- Responded to shoplifting incidents and medical emergencies, coordinating with police and EMS as needed.
- Submitted end-of-shift incident and occurrence reports to the security supervisor for review and filing.
