PART TIME WORK EXPERIENCE

Customer Support Executive

Cloud Employee

Jun 2024 - present | remote

- Handled customer support tickets and inquiries through HelpScout, troubleshooting technical issues including camera/microphone problems and website bugs, and escalating to the technical team via Jira when needed.
- Managed customer communications, deal tracking, and follow-ups in HubSpot.
- Used Django Admin to review accounts, diagnose issues, and maintain accurate customer records.

Executive Assistant

Wing Assistant

Dec 2023 - Mar 2024 | remote

- Handled daily operations for a construction startup, including invoicing, scheduling, and email/calendar management.
- Improved internal tracking systems and streamlined task workflows using Procore, Microsoft 365, and Google Workspace.

E-commerce Specialist

** worked with multiple clients (freelance)

May 2018 - Nov 2020 | remote

- Conducted product research for dropshipping clients using AdSpy and Google Sheets to identify high-demand items, analyze competitor pricing, and surface high-margin opportunities across multiple niches.
- Managed product inventory across Amazon Seller Central, Shopify, eBay, Walmart, and Etsy, tracking stock levels, updating listings, and coordinating with suppliers to ensure smooth, uninterrupted fulfillment.

Patient Coordinator / Telehealth Coordinator

Epsychiatry AU

Oct 2019 - Jun 2020 | remote

- Coordinated patient appointments with doctors and therapists using Zanda Practice, Google Calendar, and Zoom, keeping schedules organized and running smoothly.
- Supported patient intake, insurance billing, and record-keeping using Google Sheets and Google Docs, and maintained clear team communication via Gmail.
- Delivered reliable customer and technical support to patients and staff in a remote clinical setting, tracking and managing tasks through Trello.

FULL TIME WORK EXPERIENCE

Fulfillment Assistant

Plugwork

Dec 2022 - Nov 2023 | remote

- Managed ticket listings and order fulfillment across Ticketmaster, StubHub, and Viagogo, ensuring accurate and timely processing
- Maintained organized spreadsheets to track ticket orders, seat availability, and pricing, supporting efficient operations and real-time updates
- Monitored competitor pricing and adjusted listings accordingly while coordinating inventory updates to reflect availability and demand

LONG-TERM WORK EXPERIENCE

General Virtual Assistant

Upwork / Online jobs (freelance | multiple clients)

Non-Profit Organization · Oct 2024 – Mar 2025
